TUESDAY 15 OCTOBER

09:00 - 11:00 OPENING CEREMONY

Opening speech by Mr Emmanuel Macron, President of the French Republic

M. Janusz Wojciechowski / EU Commissioner for Agriculture

Ludovic Blin / President FIL FRANCE

Piercristiano Brazzale / IDF President

Arancha Gonzalez / Science Po Christophe Lafougère / GIRA

Badi Besbes / FAO

11:00 - 11:30 BREAK

11:30 - 12:45 GLOBAL DAIRY LEADERS PANEL

Piercristiano Brazzale / IDF President

Serena Aboutboul / Nestlé

Antoine de Saint Affrique / Danone

* Emile Cordeau / Agropur

12:45 - 14:00 LUNCH BREAK

14:00 - 15:00 DAIRY OUTLOOK 2024

Overview of the French dairy sector

Pascal Le Brun, Caroline Helleisen-Errant & Benoît Rouyer / Cniel, Jean-Michel Javelle / Sodiaal

▶ The IDF World Dairy Situation report

Jean-Marc Chaumet / Cniel

The IDF Marketing trends report

Christine Leighton / SC Marketing

ON OECD Hubertus Gay / OECD

15:00 - 15:30 BREAK

15:30 - 17:00 IDF FORUM

Octavio Oltra / Consorio Lechero

Emmanuelle Soubeyran / WOAH

Ruben de Vries / Qlip

ILRI Isabelle Baltenweck / ILRI

Moez Sanaa / WHO

Piercristiano Brazzale / IDF President

Jamie Jonker / Chair SPCC

Laurence Rycken / IDF DG

EVENING

WELCOME RECEPTION

WEDNESDAY 16 OCTOBER

08:30 PLENARY SESSION

UNLOCKING MULTI-STAKEHOLDER PARTNERSHIPS FOR A RESILIENT DAIRY SUPPLY CHAIN (ROUNDTABLE)

Wagner Albuquerque de Almeida / IFC, Robert Bonnie / USDA, Myriam Ferran / EU-DG INTPA, Obai Khalifa / Gates Foundation, Kendrick Repko / Ahold Delhaize

DRAGONNIER AMPHITHEATRE

09:15 ATTRACTIVENESS

THE LABOUR CHALLENGE IN THE DAIRY INDUSTRY

- Dairy Farming Work Challenges in a Labor-Intensive Sector
- Christophe Perrot / Idèle
- ▶ The Challenge of recruitment in a highly internationalized group
- Laurent Marembaud / Savencia
- Mitigating the talent challenges for a dairy co-op
- Sheila Murty / Tillamook

BREAK 10:45

11:15 ATTRACTIVENESS

ATTRACTING AND EMPOWERING WOMEN

- Women developing dairy and dairy developing women: a UK perspective Dr Judith Bryans / Dairy UK
- ► Transition from 'Women in Dairying' to 'Women-led Dairying' Meenesh Shah / NDDB
- Women in West African dairy systems
- Dr Astou Diara Camara / BAME, Sociology

- Milica Kocic / IFCN

EPICEA AMPHITHEATRE

mitigation opportunities for the industry

Daniel Gobeil / Producteurs Laitiers du Québec

Katie Anderson / Dairy Methane Action Alliance

Neha Rai & Dominik Wisser / FAO

* Natalie Jones / Consorcio Lechero

Vincenzo Benevento / Tetra Pak

Habibou Assouma / Cirad

ENVIRONMENT

CHALLENGES OF PRODUCING AND PROCESSING IN THE CONTEXT OF LIMITED GLOBAL RESOURCES

- Keeping within the Planetary Boundaries: Reducing Agriculture's Environmental Impact
- Bruce Campbell / Global Center on Adaptation and Clim-Eat
- Dairy and the environment: what are the challenges and where do we need to invest INJUSTINATION Anne Mottet / IFAD

LUNCH BREAK / IDF Pavel Jelen Award

14:15 ATTRACTIVENESS

HOW CAN THE DAIRY INDUSTRY ATTRACT FRESH TALENTS?

- ▶ Workers are ready for change. Are leaders ready to engage them?
- Louisa Renoux / PWC France
- ▶ Vision & enablers to solve the issue of generational renewal Elisabeth Hidén / CEJA vice-president & dairy farmer
- ▶ Committed to the future of milk in France: Sodiaal Cooperative takes action
- Jean-Michel Javelle / Sodiaal

BREAK

16:15 ATTRACTIVENESS

IMPROVING CONDITIONS TO ATTRACT NEW WORKERS

- ▶ The invisible workforce: occupational health and well-being among dairy workers in US
- Dr Anabel Rodriguez / UT School of Public Health
- Dairy farmers and workers welfare in Canada
- * Simon Jetté-Nantel / Lactanet
- ▶ Dairy Farmers in Japan Issues Regarding Aging and Fostering New Farmers
- Dr. Shinichi Kobayashi Shizuoka / Professional University of Agriculture

17:45

FARMERS' DINNER

ECONOMY & FOOD SECURITY

THE FUTURE OF MILK PRODUCTION IN EUROPE & OCEANIA IN VIEW OF ENVIRONMENTAL AND CLIMATE CONSTRAINTS

FORECASTING MILK PRODUCTION AND EXPORTS IN THE AMERICAS

▶ Prospects for the North American Dairy Sector, with an Emphasis on the United States

► What's Up Down Under: An Oceania Perspective

SEQUOIA AMPHITHEATRE

ECONOMY & FOOD SECURITY

► How is South American dairy production changing?

Marcelo Carvalho / CEO MilkPoint Ventures

Andrew Novakovic / Cornell University

- Joanne Bills / Ever. Ag
- ▶ The Future of EU Dairy: Shrinking Raw Milk Pool and Sustainability Constraints

NET IMPORTER REGIONS - CONSTRAINTS AND INITIATIVES: AFRICA & EAST ASIA

- Current and Future Stakes and Challenges of Local Milk Value Chains in West Africa and
- Bio Goura Soulé / CEDEAO
- Can Asia be dairy self-sufficient?

ECONOMY & FOOD SECURITY

- Li Yifan / StoneX

ENVIRONMENT

ENVIRONMENT

ON THE PATH TO DECARBONISATION: THE IMPORTANCE OF SHARED METHODOLOGIES

WHAT ARE THE VECTORS FOR ENVIRONMENTAL IMPROVEMENTS IN THE DAIRY SECTOR?

Climate change and livestock industry: National climate plans/NDCs: policy risks and GHG

► ROUNDTABLE - Collective Dairy Actions for Environmentally Sustainable Production

- A Common Carbon Footprint Approach for Dairy: verification model
- Andrew Fletcher / Fonterra
- ► MilCA: A protocol for including mitigation technologies in LCA
- Aaron Simons / Department of Primary Industries
- ▶ The Pathways to Dairy Net Zero: Barriers and Incentives for Uptake of low carbon practices Andrew Barnes / Scotland Rural College

ECONOMY & FOOD SECURITY

WILL INDIA BECOME A MAJOR PLAYER IN INTERNATIONAL MARKETS?

- Indian dairy: Past, present and future
- Sudha Narayanan / IFPRI

ROUNDTABLE TO CONCLUDE ON THE FUTURE GLOBAL MILK SUPPLY

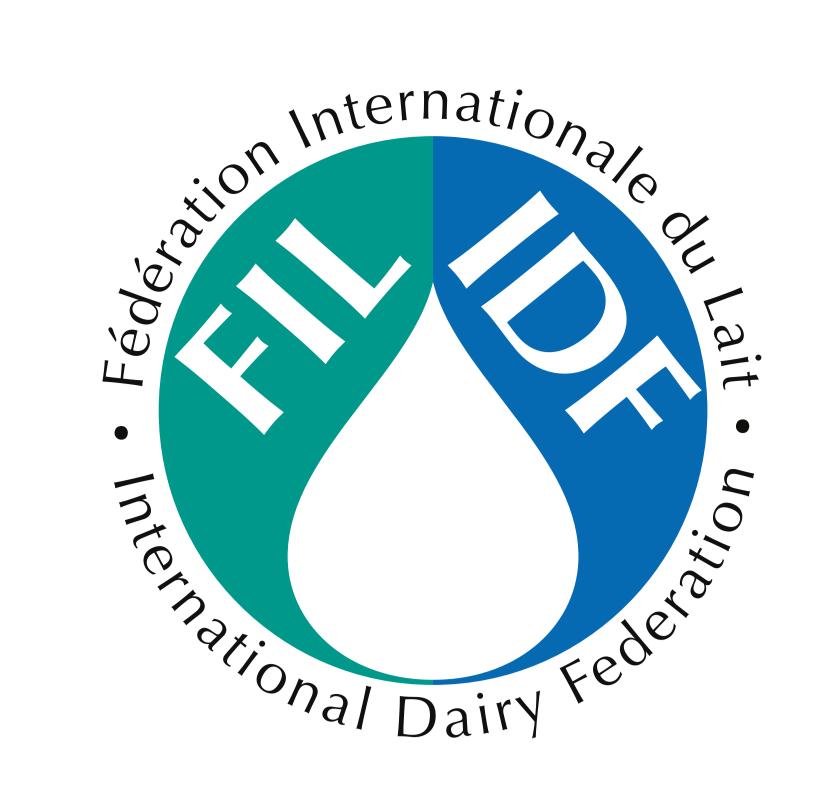

- Olivier Verdelet / Danone
- Maria Norlin / Tetrapak
- Jean-Yves Dreau / Synetics

ENVIRONMENT

TO THE NEED FOR INCENTIVES

- Implementing climate friendly farming practices: an Irish perspective focussing on win:
- Tom O'Dwyer / Teagasc
- ► ROUNDTABLE Concrete examples of financial solutions in the dairy sector
- Frédéric Chausson / Sodiaal
- Sophie Throup / Morrisons
- 14CE ECONOMICS Clothilde Tronquet / 14CE

THURSDAY 17 OCTOBER

PLENARY SESSION

SUSTAINABLE PRACTICES, MEETING SOCIAL EXPECTATIONS - Adam Drewnowski / University of Washington, Rogier Schulte / Wageningen University, Jean-Pierre Poulain / University of Toulouse

DRAGONNIER AMPHITHEATRE

SUSTAINABLE DIETS

THE SOCIAL AND CULTURAL ROLE OF DAIRY

- The impact of dairy products on human evolution
- Pr Jay Stock / Western University
- ► Role of dairy in Chinese diets
- Pr Guansheng Ma / School of Public Health, Peking University
- Place of dairy in French dietary patterns
- Pascale Hebel / Cways

BREAK

11:15 SUSTAINABLE DIETS

ROLE OF DAIRY IN HEALTHY AND SUSTAINABLE DIETS

- ▶ Balancing food categories to meet the 4 dimensions of sustainable diets : a French
- Dr Nicole Darmon / INRAE Montpellier
- ▶ Place of dairy in sustainable healthy diets: bridging nutrition and economy Dr Sylvia Chungchunlam / Riddet Institute
- ▶ Impacts on micronutrients in a shift towards diets from sustainable sources where are
- Pr Mairead Kiely / University College Cork

13:00 LUNCH BREAK / IDF Poster Award

TECHNOLOGY

FERMENTATION: A SUSTAINABLE PROCESS, BOTH ANCESTRAL AND INNOVATIVE

- ▶ Recent development of IDF/ISO standard in microbiology: revision for enumeration of bifidobacteria in milk products
- Masamichi Muto / Morinaga Milk Industry
- ► E-MUSE: Complex microbial Ecosystems MUltiScale modElling
- Dominique Swennen / INRAE/Europe
- ▶ Ferments du Futur: a French initiative to accelerate innovation through fermentation Damien Paineau & Yves Le Loir / INRAE
- In situ production of exopolysaccharides by lactic acid bacteria: potential for clean-label fermented milk products
- Davide Porcellato / Norwegian University of Life Sciences
- Engineering yeast for valorization of lactose by fermentation
- Vincent Martin / Concordia university

SEQUOIA AMPHITHEATRE

FARM MANAGEMENT

ANIMAL WELFARE: FROM THEORY TO APPLICATION ON DAIRY FARMS (PART 1)

- ► Animal welfare: the critical human dimension
- Pr. David FRASER / The University of British Columbia
- Animal Law Overview: Framework Differences and Trade Law Intersections
- Dr. Carolina MACIEL / Harvard Law School
- ► Animal welfare : WOAH perspective
- Dr. Leopoldo STUARDO ESCOBAR / WOAH

EPICEA AMPHITHEATRE

ENVIRONMENT

BIODIVERSITY: CHALLENGES & OPPORTUNITIES FOR DAIRY FARMING

- What is Biodiversity? Challenges for agriculture and the dairy sector
- Denis Couvet / FRB
- ▶ FAO Guidelines for assessing ecosystem services in livestock farming
- Raimon Ripoll Bosch / Wageningen University
- Integration of biodiversity within public policies
- Gregorio Davila Diaz / DGAGRI

FARM MANAGEMENT

ANIMAL WELFARE: FROM THEORY TO APPLICATION ON DAIRY FARMS (PART 2)

- ▶ Assessment of the welfare of dairy cattle: from absence of suffering to positive welfare and ▶ ROUNDTABLE How to measure or enhance biodiversity on farms?
- Isabelle VEISSIER / INRAe
- ▶ Roundtable discussion: From theory to action at the farm level: how to take animal welfare into account in the dairy sector?
- * Alejandra VIEDMA / Consorcio Lechero
- Dr Hari KUMAR / NDDB
- Paidamoyo CHADOKA / ZADF
- Alexis DESCAMPS / Cniel

ENVIRONMENT

HOW TO ASSESS BIODIVERSITY ON FARMS?

- Karli Reimer / Ducks Unlimited Canada
- Wilco Brouwer de Koning / ZuivelNL
- Luc Hippolyte Dossa / University of Abomey-Calavi
- Enhancing ecosystem services and reducing impacts: an integrated approach to boost dairy
- Jean-Baptiste Dollé / French Livestock Institute (Idele)

FARM MANAGEMENT

DAIRY CALVES: WHAT CHALLENGES, WHAT VALUE?

- ▶ The importance of calf rearing for economics, environment and social acceptability of dairy Breakthrough communication on sustainability in the Future
- Dr. Henk HOGEVEEN / Wageningen University and Research
- ▶ Economics: managing to get value for dairy calves around the world
- Baptiste BUCZINSKI / French Livestock Institute (Idele)
- ▶ Solutions? Overview of existing levers for increasing the welfare of calves
- Dr. Marina von KEYSERLINGK / The University of British Columbia

MARKETING

DAIRY FOR FUTURE GENERATIONS

- Intro: Communicating Sustainability: Bridging industry and consumer perspectives
- Pamela Nalewajek / Dairy Farmers of Canada
- Strategic Advocacy: Communicating Sustainability to Business Stakeholders
- Pamela Nalewajek / Dairy Farmers of Canada
- Delivering Sustainability Messages Across Platforms to Consumers
- Kendra Campbell / Dairy Australia
- Business to consumer: Engaging Consumers with Sustainability in France
- Adrien Dinh / Cniel
- Brand Breakthrough to consumers on Sustainability
- Myriam Riedel Kienzi / Yoplait
- Part 2: How to reach young people: involvement!
- Celebrating Dairy Stefan Arnold / SWISSMILK SMP
- Gen Z et Gen A Max Lederer / Jung Von Matt
- How do we do it for real? Dominique Hut / Eurial

BREAK

16:15 TECHNOLOGY

FERMENTATION: A SUSTAINABLE PROCESS, BOTH ANCESTRAL AND INNOVATIVE

- ▶ Drivers of Microbial diversity in French Protected Designation of Origin (PDO) Cheeses Céline Delbes / INRAE
- Dairy fermented products in South America
- Antonio F de Carvalho / Vicosa university
- ► Traditional dairy fermented products in Central Asia Gaukhar Konuspayeva / Almaty university
- ▶ Novel fermentation technology for dairy utilizing Lacticaseibacillus paracasei K56
- combined with enzyme hydrolysis Ignatius Man-Yau Szeto / Yili Group

FOOD SAFETY

IMPACT OF CLIMATE CHANGE ON FOOD SAFETY

- Climate change related risks for health of dairy cows
- Nicola Lacetera / University of Tuscia
- ▶ Overview of the potential impacts of climate change on microbial safety of the dairy value
- Jeanne Marie Membré / INRAE
- Overview of the potential impacts of climate change on chemical safety of the dairy value
- Enda Cummins / University College Dublin

MARKETING

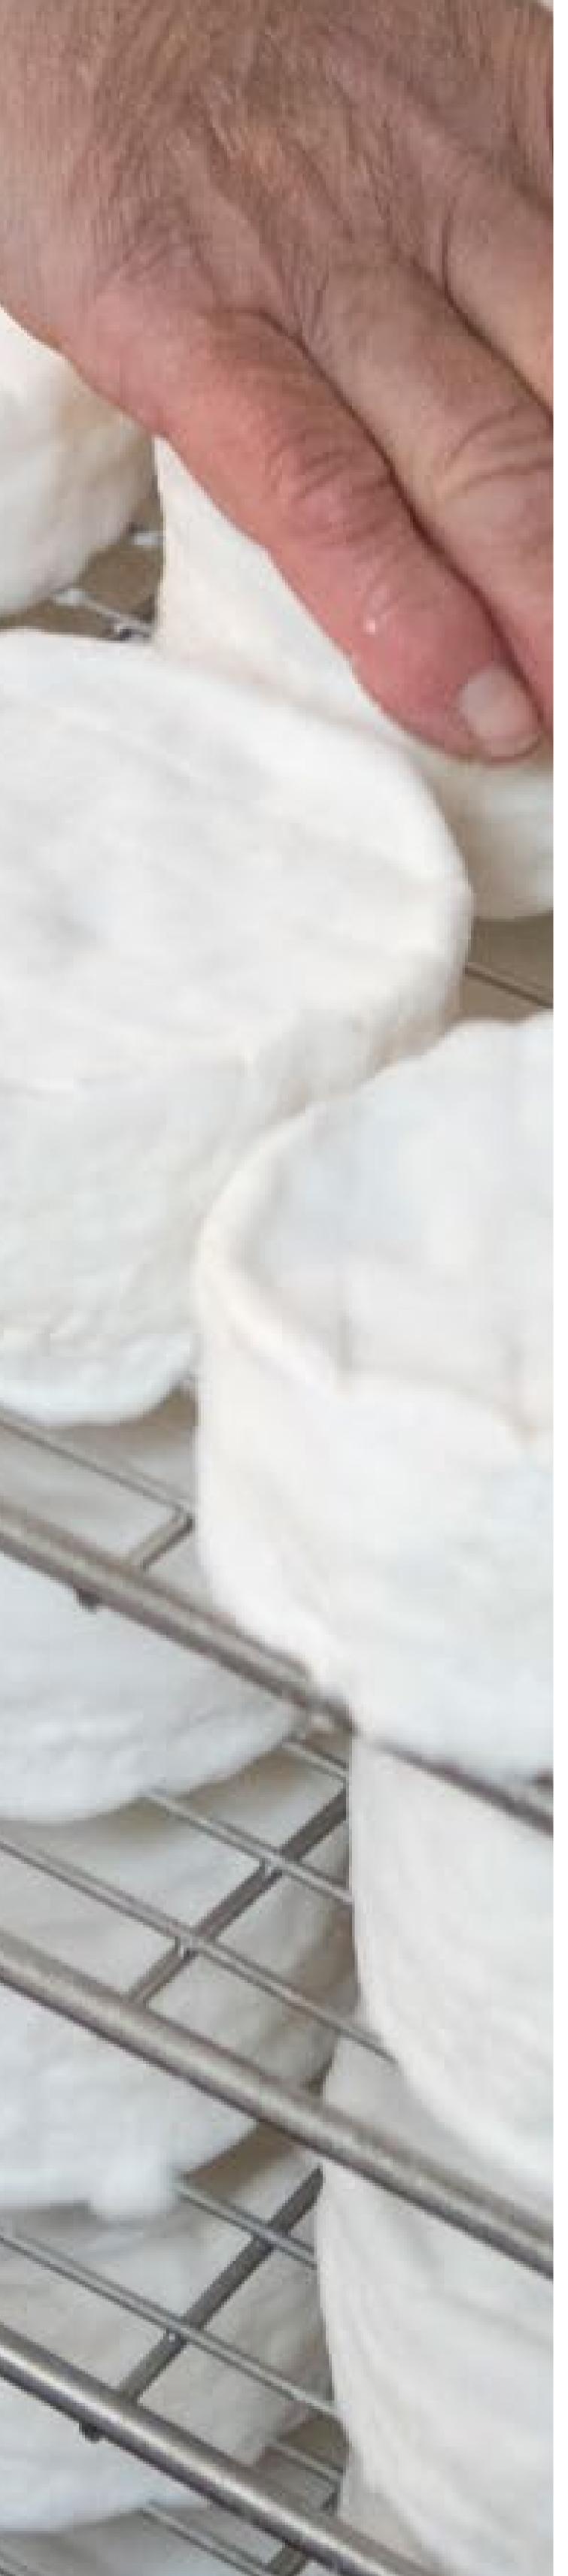

THE POWER OF ARTIFICIAL INTELLIGENCE AS A COMMUNICATION TOOL

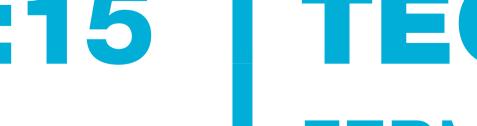

- Artificial intelligence as a tool in market research Jame Gutierrez / Ipsos
- ► mArketIng in Action: from ideAtion, to Automation and Activation Sylvie Ouziel / Publicis Artificial Intelligence as a marketing tool - Axel Adida / Beiersdorf

IMP TROPHEE YVES BOUTONNAT

- IMP Trophy best generic campaign of the year Kendra Campbell / Dairy Australia, Chair of IMP
- do that Pamela Nalewajek / Dairy Framers of Canada
- Australian Grand Dairy Awards Kendra Campbell / Dairy Australia, Chair of IMP Milk - a natural package of nutrients. Revitalizing Milk's Appeal
- Ida Berg Hauge / Norwegian Dairy Council

EVENING GALA DINNER

FRIDAY 18 OCTOBER

GLOBAL OVERVIEW OF CULTURE AND KNOW-HOW IN THE DAIRY SECTOR

Symbolic Aspects and Social Uses of Dairy Products among the Pastoralists of Ferlo

▶ Promoting and preserving gastronomic heritage - The example of PDO dairy products

DRAGONNIER AMPHITHEATRE

08:30 NUTRITION & HEALTH

THE ROLE OF DAIRY IN HEALTHY DIETS FOR ALL AGES

- Effects of dairy on health and nutrition over the life course lan Givens / University of Reading
- Dairy and musculoskeletal health across the lifespan
- Sandra Iuliano / University of Melbourne
- Fermented dairy, gut microbiome and cardiometabolic health
- Raish Oozeer / Danone

BREAK

NUTRITION & HEALTH

HEALTH BENEFITS OF DAIRY: THE LATEST FINDINGS

- Recent advances on dairy fat and cognition: contribution of a primate study Fabien Pifferi / CNRS
- Lactose (in)tolerance: the role of the gut microbiota Lonneke Janssen Duijghuijsen / Wageningen
- Vitamin K an understated dairy nutrient ?
- Emma Feeney / Univ College Dublin

SEQUOIA AMPHITHEATRE

FOOD SAFETY

THE ONE-HEALTH APPROACH IN FOOD SAFETY

- Jamie Jonker / NMPF / IDF SPCC Chair
- Jean-Yves Madec / Anses
- Morgan Jeannin / WOAH David Kelton / University of Guelph / IDF SCAH Chair
- Line Feriman / Vetlife
- Stephanie Bullen / Dairy Australia
- Alexandra Beckmann / Max Rubner Institut

FOOD SAFETY

THE ONE-HEALTH APPROACH IN FOOD SAFETY

- Codex Guidelines for the control of Shiga toxin-producing E.coli (STEC)
- Delphine Sergentet / VetAgro Sup
- Exploring the nexus between new technologies of analysis and dairy food safety as part of a «One Health» approach
- Fréderic Martinez / NEOGEN
- Pathogen management in the dry processing environment
- Ellen Wemmenhove / ARLA

PLENARY SESSION: CELEBRATING INNOVATION IN DAIRY AND CONCLUDING REMARKS

- ▶ INTRODUCTORY REMARKS Piercristiano Brazzale / IDF President
- KEYNOTE SPEAKER ON INNOVATION Speaker TBC / Tetra Pak
- ▶ PRESENTATION OF DAIRY INNOVATION CENTRES AROUND THE WORLD (VIDEO)
- ▶ PANEL 1: SOCIO-ECONOMIC, WOMEN EMPOWERMENT AND MARKETING Moderated by Caroline Emond / Chairwoman of the Jury of the IDF Innovation Awards Panel discussion with finalists of the IDF Innovation Awards Winners announcement
- ▶ PANEL 2: PRODUCT DEVELOPMENT, PROCESSING, AND PACKAGING Moderated by Piercristiano Brazzale / IDF President Panel discussion with finalists of the IDF Innovation Awards Winners announcement
- ▶ PANEL 3: ENVIRONMENT CLIMATE ACTION ANIMAL CARE Moderated by Jamie Jonker / IDF SPCC Chair Panel discussion with finalists of the IDF Innovation Awards Winners announcement

CONCLUDING REMARKS

Laurence Rycken / IDF Director General

LUNCH BREAK

KNOW-HOW, CULTURE, ORIGIN

* Abdou Ka / Assane Seck de Ziguinchor University

EPICEA AMPHITHEATRE

Micolas Bricas / UNESCO

Julia De Castro / CNAOL

KNOW-HOW, CULTURE, ORIGIN

Global Overview of Culture and know-how in the dairy sector

WORLD TOUR OF DAIRY CULTURAL SPECIFICITIES

ROUNDTABLE

- Christy Shields / American University of Paris
- Antonio Fernandes de Carvalho / UFV Bruno Martel and Patrick Falconnier / Eurial
- Nezat Artik / Ankara University
- Riccardo Deserti / Consortium Parmigiano Reggiano
